

EDUCATIONAL EXAMINERS BOARD[282]

Adopted and Filed

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby amends Chapter 18, “Issuance of Administrator Licenses and Endorsements,” Iowa Administrative Code.

This amendment aligns the rule with current agency practice. The current rule does not specifically indicate that the applicant must complete one year of administrative experience in order to convert the initial administrator license to the professional administrator license. The amendment clarifies the requirements.

Notice of Intended Action was published in the Iowa Administrative Bulletin as **ARC 0493C** on December 12, 2012.

A public hearing was held on January 9, 2013, with written comment accepted until 4 p.m. on January 11, 2013. No one attended the public hearing, and no written comments were received.

Since publication of the Notice, the introductory paragraph of rule 282—18.5(272) has been changed by adding “does all of the following” at the end thereof, and the punctuation of subrule 18.5(1) has been modified as a result.

After analysis and review of this rule making, no adverse impact on jobs has been found.

This amendment is intended to implement Iowa Code section 272.2(1)“a.”

This amendment will become effective March 27, 2013.

The following amendment is adopted.

Amend rule 282—18.5(272) as follows:

282—18.5(272) Specific requirements for a professional administrator license. A professional administrator license valid for five years may be issued to an applicant who does all of the following:

18.5(2) Successfully meets each standard listed below:

a. to d. No change.

18.5(3) Completes one year of administrative experience in an Iowa public school and completes the administrator mentoring program while holding an administrator license, or successfully completes two years of administrative experience in a nonpublic or out-of-state school setting.
